

## G4C Yorkshire & Humber Awards 2021

### Sponsorship Opportunities

Following on from the success of the inaugural G4C Yorkshire & Humber Awards in 2020 we are proud to be back for a 6<sup>th</sup> Year! The awards are a celebration of Young Achievers in Yorkshire and Humber and the companies who support and train the future leaders of the industry. G4C Yorkshire & Humber are paving the way for the other regions, diving forward change and recognising the people who make it possible in our industry.

These prestigious awards will be held on **Friday 1<sup>st</sup> October 2021**, however due to the **Coronavirus pandemic** we have not yet sourced a venue. We are hopeful that by October we will be able to meet in person, and celebrate the awards together, however in the unlikely circumstance that the awards will have to be virtual, all sponsorship will be transferred over to the following year and discounted. This is contracted in all the sponsorship forms.

The awards will showcase excellence and reward achievement for organisations & individuals who are successfully pushing our industry forward. This event is a great opportunity for companies who wish to be seen as proactively supporting and leading innovation within the Built Environment.

Winners are selected across 10 categories including commitment to training, new professional of the year and the G4C Award.

The sponsorship packages available are detailed below with the benefits which you will receive from supporting the categories and drinks reception.
